

## LOCAL BREVITIES.

Hurrah for the 17th!  
W. C. Parke has lost a fox terrier.

Kaialani Bitters are the talk of the town.  
The International Schuetzen League meets this evening at 7 o'clock.

There was a small-sized battle on board the Andrew Welch yesterday, between the mate and one of the seamen.

The funeral of the late F. S. Pratt will probably take place on Sunday.

The Kaialani Bitters seemed to be a bitter dose for the Bulletin to swallow.

The Electric Light Company expects to be able to give an exhibition soon.

The much hoped for race between the two captains did not come off yesterday.

Makua, a boat boy, succeeded in "skipping out" on the barkentine Planter yesterday.

The full report of the meeting of the Councils yesterday will be found on the second page.

Subscriptions for any publication in the world are received by the Hawaiian News Company.

The official notice of the 17th of January being a national holiday appears in another column.

Nine Chinese gamblers were arrested yesterday afternoon. They were all released on bail, \$25 each.

T. J. King leaves for the Coast on the Monowai to bring another cargo of hay and grain for the California Feed Company.

The annual meeting of the stockholders of the People's Ice Company will be held on January 18th at the Chamber of Commerce rooms.

A Chinese boy named Chun You stabbed a young native in the back yesterday and inflicted two painful wounds. Chun is in jail, charged with assault with a deadly weapon.

Prof. Alexander's most interesting article on the history of the Hawaiian monarchy is continued this morning. It will be found on the first page.

The band concert at the hotel last evening was given in honor of T. H. Davies. After the concert was over Mr. Davies complimented the boys on their music.

David Cumberland, an Australian lad of 16, was locked up in the Station House yesterday. He had stowed away from Newcastle, N. S. W., on the schooner Bangor.

George Mundon, of Kapaa, who broke his arm on New Year's day, was improving rapidly at last accounts. Mr. Hundley, who had one of his legs run over by a bullock cart, was also recovering.

The matter of Chinese immigration was considered by the Councils yesterday in executive session, and it was voted to treat the matter in accordance with the reply of the Cabinet to the planters.

The hopes of the Rev. J. G. Hoapili, of Kona, have come to naught. His wife will not permit him to join the company at the Hawaiian Village, and the reverend gentleman feels that it is the duty of an obedient husband to submit.

The five-ounce hen's egg that has been on exhibition in the Hawaiian News Co.'s window for several days past was broken open yesterday morning. The egg contained a perfect yoke with albumen, and another perfect egg inside of the ordinary size.

People seem to be getting very careless in regard to leaving their doors open. The offices of the U. S. Consulate and T. W. Hobron, and the store of the Sing Wo Company, on Nuuanu street, were all found open by members of "the finest" last night.

Piko Miranda, a black Portuguese who assisted Ferreira in the latter's brutal attack on a countryman, was arrested on board the barkentine S. G. Wilder yesterday. The police had been hunting high and low for Miranda, and yesterday they were told that he was to leave on the Wilder.

The Y. M. C. A. Review for the present month was issued yesterday. The paper is replete with interesting news pertaining to the organization. Mr. Walter C. Weedon contributes a lengthy New Year poem dedicated to the Y. M. C. A. Mr. W. A. Bowen's article on the bookkeeping class, under the auspices of the Association, concludes this number.

## TWO NEW INVENTIONS.

## A First-class Knife Sharpener and a Unique Knife.

Mr. Frank Walcott, an English inventor, has appeared in Honolulu, and is disposing of his wares with considerable success. The principal one of the two things he handles, is an emory knife sharpener, which is really a wonder in its way. The dullest knife or scissors take a very sharp edge after a short application to this wonderful piece of stone. After filing the edge of a knife, and making it as dull as possible a very few strokes on the stone will make it as sharp, almost, as a razor.

The second of Mr. Walcott's inventions, is a most unique knife, that contains a number of useful articles. There are two blades of first-class steel, a corkscrew, a two and a half inch graduated rule, a glass and pattern cutter, and, last, but not least, a pair of scales that will weigh anything that is not heavier than twelve pounds. It is a most convenient tool for the pocket.

The Hawaiian Hardware Company has taken hold of the knife sharpener, while the Yokohama Bazaar, on Hotel street are agents for the knife. The former sells for a dollar, and the latter for the low price of fifty cents.

C. M. V. Forster will hold a power of attorney from T. J. King during the latter's absence from the country.

## The Yokohama Bazaar

HAS JUST APPROPRIATED A novelty, consisting of a MAGIC POCKET KNIFE. This knife contains besides the usual blades, a glass-cutter that will cut easier than a diamond 20,000 feet of glass; it will also be found useful for a paper pattern cutter; it has also a balance that will weigh anything up to 12 lbs. This was the greatest success of the World's Fair. We have only a limited number. The inventor has kindly offered his services by showing the purchasers the way of using this wonderful knife on Saturday, January 13th. Price, only 50 cents. 3584-2t
